Dear Gerrard,

It's nice to know that good news travels as fast as bad news !
I am of course referring to the Albions' revenue for 3rd
October 1989 which was around £16,000. This figure has never
before been obtained at the Albion and I must congratulate you
on reaching such high revenue figures.

Keep up the good work, Gerrard, and I look forward to seeing
similar figures in the future.

Kind regards.
